The image shows a smartphone displaying a mobile application for textbook exchange. The app has a light gray background with rounded corners. At the top, there is a navigation bar with a black header containing a white 'in' logo and the text 'Textbook Exchange'. Below the header is a dark gray bar with rounded corners, containing two buttons: 'Watchlist' on the left and 'Sell' on the right. The main content area consists of two horizontal cards, each featuring a blue book icon on the left and text on the right. The first card contains the following information:
Book icon: Blue book
Title: Beginner's Mandarin
Author: Pearson Success
ISBN: CH 101, Cheng
Price: \$25The second card contains the following information:
Book icon: Blue book
Title: UI/UX Design Princ.
Author: Pearson Success
ISBN: CSC 484, Sheets
Price: \$25At the bottom of the screen is a footer bar with four icons: a star labeled 'Buy', a circle labeled 'Sell', a blue square labeled 'Me', and a person icon with a red dot labeled 'Inbox'. A black navigation bar is visible at the very bottom of the phone.

A smartphone screen displaying a book listing interface. The top part shows a barcode icon and a placeholder for a book cover image. Below the cover are five text input fields containing the ISBN (123456), title (UI/UX Design Principles), author (Pearson Success), subject (Erin Sheets), and course (CSC 484). Underneath these are four camera icons for taking photos, with a speech bubble indicating 63 photos taken. A quality slider is set between 'Worst' and 'Best'. The price is listed as \$25. A large text area contains the description: "Pretty sweet book". At the bottom are two buttons: "Publish" (green) and "Delete Posting" (red). Below the buttons is a navigation bar with icons for "Buy" (star), "Sell" (blue circle), "Me" (grey square), and "Inbox" (triangle).

The image shows a smartphone displaying a user interface for selling a textbook. The screen is divided into several sections:

- ISBN:** A text input field with a blue barcode icon to its right.
- Textbook Name:** A text input field.
- Author/Publisher:** A text input field.
- Professor (Optional):** A text input field.
- Class (Optional):** A text input field.
- Quality:** A horizontal slider with a central circular handle. Below the slider, the words "Worst" and "Best" are positioned at the ends. A dark speech bubble with the number "63" is overlaid on the slider handle.
- Price:** A text input field preceded by "\$".
- Comments:** A large text input area for comments.
- Submit:** A large green button with white text.
- Bottom Navigation:** A row of four icons: a star labeled "Buy", a blue circle labeled "Sell", a grey square labeled "Me", and a person icon with a red dot labeled "Inbox".

A smartphone screen displaying a book listing interface. The top half shows the book's title, author, and subject. Below this are four camera icons with a speech bubble indicating 63 photos. A quality slider is set between 'Worst' and 'Best'. The price is listed as \$25. A large text area contains a positive review. At the bottom is a green 'Submit' button and a navigation bar with 'Buy', 'Sell', 'Me', and 'Inbox' options.
